

At West Virginia University, we understand the importance of living united. Service is part of our identity. I am honored to be leading our 2016 United Way campaign.

The United Way of Monongalia and Preston Counties works every day with donors, community volunteers, and corporations to make North Central West Virginia a safe, healthy, vibrant community by changing stories of challenge and adversity to stories of triumph and hope.

Your support is critical to achieving our campus goal of **\$300,000**.

Our mission is simple: to help change the story one life at a time through quality education, stable income and better health for everyone. No gift is too small and every dollar raised stays right here in Monongalia and Preston counties.

When our community is in need, we at WVU have always answered the call. Working together, we can continue that tradition. I hope you will join me!

Help us change the story. It changes your story, too!
